

TREND COLORS

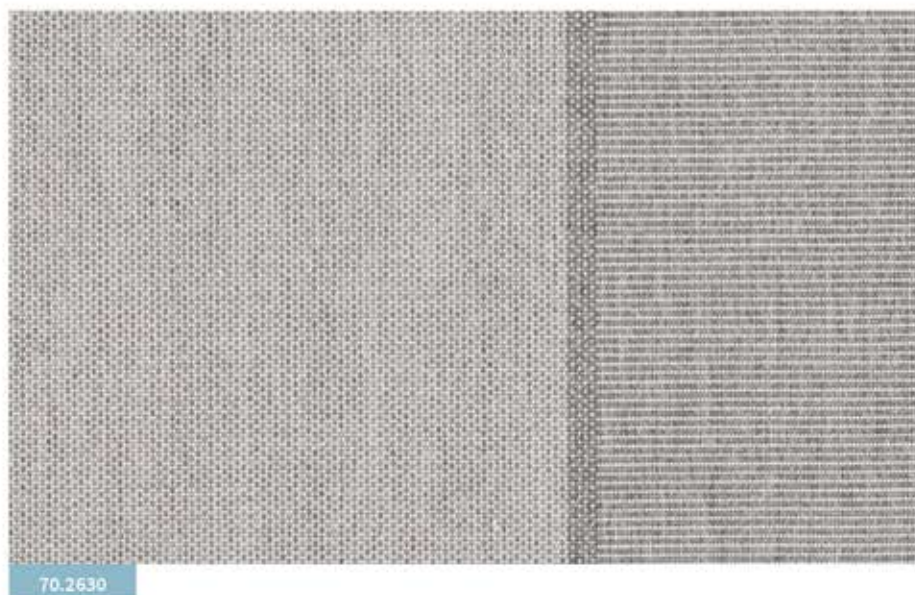

Kies voor een eigentijdse kleur die bij jou of jullie past. Zwart is bijvoorbeeld gedurfd en maakt de natuurlijke tint van het licht koeler, wit en grijs hebben minder invloed op het licht en garanderen een rustige maar stijlvolle uitstraling. Vanzelfsprekend kan je bij ons terecht voor vragen. Neem contact op met onze klantenservice:

URBAN COLORS

Kleur maakt sfeer, raak daarom geïnspireerd door alle verschillende en gedurfde kleurtinten. Blauw maakt de natuurlijke tint van het licht koeler, wat zorgt voor rust. Geel warmt juist op en zorgt voor gezelligheid.
